**NC REALTORS® Announces ‘World’s Top Five Speakers’ Keynote**

As a renowned professional speaker, author and television personality, Les Brown has risen to national prominence by delivering a high energy message which tells people how to shake off mediocrity and live up to their greatness. It is a message Les Brown has learned from his own life and one he is helping others apply to their lives.

**Passion to Learn and His Hunger to Realize Greatness**

Born in a low-income section of Miami, Florida and labeled in school as a ‘slow learner’, his unending self-education and passion to realize greatness in himself and others has now distinguished him as an authority on harnessing human potential. He rose from a hip-talking morning DJ to broadcast manager; from community activist to community leader; and from political commentator to three-term legislator.

**Award Winning Speaker**

Les Brown has been selected one of the **World's Top Five Speakers** by Toastmasters International and recipient of the **Golden Gavel Award**. Les’ series of speech presentations entitled *You Deserve*, which was awarded a Chicago-area **Emmy**, became the leading fundraising program of its kind for pledges to PBS stations nationwide.

**Best Selling Author**

Les Brown is an internationally recognized speaker and CEO of Les Brown Enterprises, Inc. and he is also the author of the highly acclaimed and successful book, *Live Your Dreams*, and newly released book, *It's Not Over Until You Win*.

Les Brown is one of the nation's leading authorities in understanding and stimulating human potential. Utilizing powerful delivery and newly emerging insights Les will teach, inspire, and channel you to new levels of achievement.
